RECORD OF BAPTISMS, MARRIAGES AND DEATHS

FROM

THE [illegible] BOOK, first record kept concerning NEWBURGH Circuit of the Methodist Episcopal Church. Records cover the period of 1789 through 1836.

This book is now in the possession of Kenneth [illegible] Hasbrouck, New Paltz, N. Y. (On [illegible] Historical [illegible] of the [illegible], N.J.)

These records were first copied by Miss Augusta Leslie and printed in the HISTORICAL PAPERS, No. VIII, HISTORICAL [illegible] OF NEWBURGH BAY AND THE HIGHLANDS. 1901.

This copy has been undertaken because errors and numerous omissions were found. It is believed that other information to be found in the records should be made available to the public. As this is the earliest record of the Methodists in Orange, Ulster and Sullivan counties, it is a most important aid for genealogical research. It is a most historic record of Methodism in this section of the country.

The Newburgh Circuit was, primarily, a part of the East Jersey Circuit, and embraced Southern Orange County, from which it was extended to Northern Orange and Southern Ulster County, as far north as New Paltz. In 1788 what was known as the Flanders (N.J.) Circuit, was cut off from East Jersey Circuit, and in 1789, the Newburgh Circuit was taken from the Flanders Circuit. It Covered Orange and Southern Ulster. In 1809 the New Windsor Circuit was formed; In 1819 the Sullivan Circuit. In 1823, the Bloomingburgh Circuit; In 1825, the New Paltz, Circuit. As the churches become established their records were made in their own books--until that time the ordinance of baptism was administered by the Circuit preachers. It has been copied verbatim; the correction of orthographies is left to the reader.
